To Whomsoever It May Concern

This is to certify that XXX was a student of Army Public School, Kolkata for five years. XXX joined the school in July, 2007 in Grade VIII, and left the school in May 2012, after completion of Grade XII.

XXX has proved himself in all fields, from academics to extracurricular. His conduct through the years has been above reproach. He was one of the top ten students among a graduating class of 200 in Secondary Board Examination (AISSE 2010). However, a similar record could not be maintained in Higher Secondary Board Examination.

XXX father was transferred to Siliguri, 550 kilometres from Kolkata. Shomrik was withdrawn from our school. But, in Siliguri,XXX failed to get a school that provided the same subject combination for which he had registered with the board. Ultimately, XXX sought readmission to our school. He had missed two months of classes in between. It must have been painstakingly difficult for XXX to finish 8 weeks of coursework and 15 lab assignments completed in school.

However, all these difficulties did not deter him. In spite of mounting academic pressure, he continued to perform well on the soccer field and his efforts helped his team lift the Inter House Football Cup 2011. In final Board Examination, he scored 'A' in three subjects and scored 'B' in two subjects, which is outstanding. I doubt whether any student in Shomrik's shoes could have performed as well as he did.

Even with limited resources, XXX showed immense potential as a leader. I remember, how ardently he, as a tenth grader, along with his group of classmates (his students) requested to let them stay an hour longer after school. After about a week's deliberation, our Principal granted the permission on condition that there should be significant increase in the scholarship of the least well off section of the class by the next assessment. Yes it worked! That year there was not a single detainee in his class.

XXX has shown immense dexterity in terms of pressure handling. I am sure that he is capable of sailing through any storm he encounters in his life. He is well suited for a challenging college life, academically or otherwise.

Regards,
