Graduate Recommendation Letter

I am pleased to recommend Mrs. XXX to Baruch College's Zicklin School of Business. Mrs. XXX was a student in my microeconomics and management courses and received A's in both classes. Through her academic dedication, Ms. XXX impressed me with her insightfulness, decision making skills, and ambition.

I rely heavily on case studies to help my students learn business concepts and require that they spend several hours studying them before class in order to contribute thoughtful insights to our discussions. Mrs. XXX was always well prepared and her skilled analyses of the case studies benefitted her classmates. Her insights clearly demonstrated her exceptional problem solving skills, outside-the-box thinking and voracious appetite for learning.

Aside from her academic pursuits, Mrs. XXX showed a clear desire for leadership and community building. To my knowledge, she had a leadership role in several on-campus organizations and spent substantial time volunteering. XXX rare combination of intelligence, creativity, and compassion will bring her success in graduate school and beyond. I know that she will continue to be a dedicated student and a skilled professional. Please feel free to contact me if you have any questions about her candidacy.
