Medical School Recommendation Letter

To Whom It May Concern:

It is my pleasure to write this letter of recommendation on behalf of my mentee, Ms.XXX . She is currently studying at the UC Berkeley Extension Post-Baccalaureate Health Professions Program, and she came to my office to shadow in June of 2015.

The services available in my office, a group dental practice, include general dentistry, cosmetic dentistry, orthodontics, endodontics, prosthodontics, and oral surgery, all provided by several general dentists and specialists. XXX had many opportunities to be exposed to various procedures, including professional cleanings, dental fillings, crowns and bridges, implants, root canal treatments, gum surgeries, and orthodonture, and I believe that her activities in my office will help her to grasp the concepts and understand the procedures in dental school.

XXX always presents herself with the utmost professionalism and sincerity. While shadowing, she actively engaged in the procedures by asking questions and applying herself. I was very impressed with her seriousness about dentistry; she clearly wanted to get a deeper understanding of dental practices.

On several occasions, XXX and I have talked about her goals and aspirations in dentistry. Throughout these meetings, I have come to believe that XXX has great potential as a dentist and that her maturity and professional experiences in a different field are definitely added virtues. She sees dentistry not as just a career, but as a venue in which to merge her artistry as a designer and her knowledge of dental science in order to advance dentistry. I have discussed with her what her priorities should be and the steps she should be taking to achieve her goal. I am confident that she is strong-willed and that she will do excellent work in dental school.

Furthermore, XXX is a very sociable person with a cheerful personality. She has always been willing to lend help around the office, and she is also an eloquent communicator. InXXX I see many of the qualities of a great dentist, and I have high expectations for her.

I am grateful for the chance to write this letter for Ms.XXX , who has the potential and passion to be a great dentist; I firmly believe that she will be a brilliant addition to your school.
